

JOURNEY TO YOUR **BEST** PROGRAM

Topic 2.

Autonomy at work

Agenda

- ▶ What is Autonomy at work
- ▶ Why Autonomy at work important
- ▶ How to encourage Autonomy at work
- ▶ Example

What is Autonomy at work

Autonomy at work is the ability to self-manage, make decisions, and perform tasks without detailed supervision. It enhances job satisfaction, motivation, and creativity in the workplace.

Autonomy is the capacity to make an informed, uncoerced decision

Autonomy at work is the ability to self-manage, make decisions, and perform tasks without detailed supervision. It enhances job satisfaction, motivation, and creativity in the workplace.
